1. Proceedings of the 101st Land Audit Committee (LAC) meeting held on 19.01.2023.
 2. Proceedings of the 137th State Level Single Window Clearance Committee (SLSWCC) meeting held on 24.01.2023.

-:0:-

Preamble:

M/s NIDEC Industrial Automation India Private Limited has proposed to establish a unit for manufacture of "Alternators, Wind Turbine Generator, Industrial Motors, Electric Vehicle Motors, Elevator Motors, Pitch Systems, Industrial Systems, BESS", with an investment of Rs. 350 crore, generating employment to about 730 persons at Kotur-Belur Industrial Area, Dharwad District.

In the 101st Land Audit Committee (LAC) meeting held on 19.01.2023, the representative of the company appeared before the committee and highlighted the project proposal and requested for approval of the project and requested for allotment of 25 acres of land at Plot No C3 in Kotur-Belur EMC Industrial Area, Dharwad District.

The representative of the company also informed that NIDEC Industrial Automation India Private Limited and Control Techniques India Private Limited are part of Motion Energy (MOEN) Business Unit of Nidec. MOEN is a part of 17B Nidec Corporation, Japan. Currently, Nidec MOEN has 4 manufacturing plants in India and is estimated to do Rs. 1170 crore (150M) sales in 2022-23 in India for Alternators, Industrial Motors, Elevators Motors, Industrial Solutions and EV Motors. The sales turnover of the company for the year ended 31st March 2020 is Rs.475.99 crore.

CEO & EM, KIADB informed that land is available at Kotur-Belur Industrial Area. Multiple smaller plots needs to be combined. Since it is a Japanese company, Vasanthanarasapura Japanese Industrial Township in Tumakuru may be suggested. Also the products mentioned are majority electricals. Hence clarification needs to be obtained on products related to EMC.

The Committee noted the request of the company, opinion of CEO & EM, KIADB and after detailed discussions, resolved to recommend to SLSWCC to accord approval for the project proposal of M/s NIDEC Industrial Automation India Private Limited to establish a unit for manufacture of “Alternators, Wind Turbine Generator, Industrial Motors, Electric Vehicle Motors, Elevator Motors, Pitch Systems Industrial Systems, BESS” and KIADB to allot 25 acres of land at Kotur-Belur Industrial Area, Dharwad District.

The proposal of the company was placed in the 137th State Level Single Window Clearance Committee (SLSWCC) meeting held on 24.01.2023, for discussion and decision. The committee after discussing the project in detail and keeping in view of the land utilization details, resolved to approve the project proposal of M/s NIDEC Industrial Automation India Private Limited.

Government has examined the recommendations made by the SLSWCC in its 137th Meeting, in all aspects.

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Approval to the proposal of M/s Ceylon Beverages Can Private Limited (earlier M/s Muthiah Beverage and Confectionery Private Limited) to establish a unit for manufacture of different types of "Beverages" at FMCG Cluster, Mummigatti Industrial Area, Dharwad District.

Read: 1. Proceedings of the 100th Land Audit Committee meeting held on 02.01.2023.
2. Proceedings of the 137th State Level Single Window Clearance Committee meeting held on 24.01.2023.

-:0:-

Preamble:

M/s Ceylon Beverages Can Private Limited (earlier M/s Muthiah Beverage and Confectionery Private Limited) has proposed to establish a unit for manufacture of different types of "Beverages", with an investment of Rs. 256.30 crore, generating employment to about 200 persons at FMCG Cluster, Mummigatti Industrial Area, Dharwad District.

In the 100th Land Audit Committee (LAC) held on 02.01.2023, the representative of the company appeared before the committee and highlighted the project proposal and requested for allotment of 15 acres of land at Plot Nos. 168, 83 and 84 in FMCG Cluster, Dharwad.

The representative of the company also informed that M/s Muthiah Beverage and Confectionery Private Limited is a private limited company. The company was registered on 24.11.2022 at Chennai, Tamil Nadu. The group companies are:

1. M/s Ceylon Beverage Can (Private) Limited (Networth - Rs.321.70 cr.)
2. M/s Ceylon Beverage International Private Limited (Networth - Rs.3.28 cr.)
3. M/s Snackings Private Limited (Networth - Rs.61.80 cr.)
4. M/s M Line International Private Limited - (Networth - Rs.5.59 cr.)

CEO & EM, KIADB informed that land is available for allotment at FMCG Cluster, Dharwad.

The Committee opined that 15 acre of land requested for the project is on higher side considering the nature of activity land utilization details and the size of investment.

The Committee noted the request of the company, land utilization details, opinion of CEO & EM, KIADB and after detailed discussions, resolved to recommend to SLSWCC to accord approval for the project proposal of M/s Muthiah Beverage and Confectionery Private Limited (earlier M/s Muthiah Beverage and Confectionery Private Limited) to establish a unit for manufacture of "Different Types of Beverages" and KIADB to allot 13.5 acres of land in FMCG Cluster, Mummigatti Industrial Area, Dharwad District.

The proposal of the company was placed in the 137th State Level Single Window Clearance Committee (SLSWCC) meeting held on 24.01.2023, for discussion and decision.
